Dr. Harold Wong
Arizona Republic Financial Columnist

Dear Dr. Wong:

Thank you for joining us at the Kiwanis Nuevo meeting for lunch yesterday and for being our guest speaker. Taking time out from your busy schedule to help us better understand our financial futures was very much appreciated by our eclectic group of Nuevo members.

Your innovative interactive approach to your presentation tailoring it for our specified time allotment was very well received. By the number of questions following your appearance continuing well after the meeting even into the parking lot, speaks volumes to your fiscal knowledge and acumen piquing the curiosity of the audience including the attorneys, CPA's, and the financial planners to say nothing of the other business people in attendance.

I will be contacting you in the new year to schedule another informative luncheon. Once again, thank you.

Sincerely,

Lon Lawrenz, Secretary 2009-10
Kiwanis Nuevo Club of Tempe
